ENCLOSURES

SPARE COPIES

Sub: Fixed conveyance allowance of Rs. 25 per mensem to the Sub Dl. Officer in charge of the -- Bellary Water Works Scheme.

I request that you will be good enough to obtain the sanction of Government to the grant of a fixed T.A. of Rs. 25 per mensem to the Sub Divisional Officer in charge of the Bellary Water Supply Scheme.

2/ The Sub Divisional Officer has extraordinary movements within a radius of five miles which necessitates the maintenance of a motor cycle for the efficient performance of his duties. The Executive Engineer, Bellary Division reports that the Sub Dl. Officer has to cover daily about ten miles on the average. I consider that in the interest of work the officer should maintain a conveyance which should enable him to go over to any part of the town when the work is in progress. As the Chief Engineer is aware, the execution of this work is very urgent in view of the great scarcity of water in the town and the Officer in charge should not lose a single day merely for the reason that he has no quick mode of conveyance to take him over to a particular spot

3/ Sanction is sought for with effect from 9-7-1924 F.N.

2 For the rules relating to the grant of conveyance allowances, please see Rules (17 and 18) of the Madras (T.A. Rules) (as amended by G.O. No. 199 Finance dt 7.3.24

The Sub Div in the present case is a temporary one and has been sanctioned to the end of the current official year. The SE states that the S.D.O. has to cover daily about 10 miles on an average within a 5 mile radius and that a quick mode of conveyance is necessary for the efficient performance of his duties.

Sanction is sought for the grant of the allowance from 9.7.24 (AN) the date on which the S.D.O took charge of the Sub Div. It is presumed that he has been maintaining a motor cycle from the above date. The allowance can be drawn by the S.D.O only from the date from which he actually maintains a motor cycle — vide Rule 18 of the T.A Rules.

A draft order on the case is submitted. The draft provides for the grant of the allowance from 1-10-1924 as approved by Division. The S.E. has asked for the allowance from 9-7-24 (vide 3-p 1 c f) — the date on which the SDO took charge of the Sub division. It will be seen from the SE's reply overleaf (p 5 cnte) that the SDO has been maintaining a motor cycle with effect from that date in the interests of his work. In view with reference to rule 16 of the Madras Allowance Rules it is considered unnecessary to press for retrospective (copy put up) sanction in this case, (i.e) from 9.7.24 & the draft order may be issued. It is perhaps, unnecessary to circulate the case
